WHO WE ARE

Eddy founded Dacius Facilities Management (DFM) in 2018, and his responsibility for the company is to cultivate and promote a human side of the business that will help provide the best customer service experience for his clients.

Eddy enjoys working and managing different types of buildings and projects. He started as a locksmith where he learned the importance of attention to detail. He is a bachelor's degree graduate of the Project Management program at Wentworth Institute of Technology. He is passionate about implementing his skills and experiences for the betterment of a company by managing your buildings and taking care of your day-to-day maintenance operations.

ABOUT DFM

We are a dedicated and enthusiastic team of professionals based in Southeastern Massachusetts. At Dacius Facilities Management, our clients' requests are our top priority. We provide customized facilities management services to our clients. We take pride in delivering top-notch services and providing excellent customer service.

WE BELIEVE IN INTEGRITY, PROFESSIONALISM, AND TEAMWORK.

WHAT WE DO

Our services are customized according to our client's needs and requirements for business operations. We work closely with our clients to devise a plan that best suits their interests and facilitates their business requirements.

Building Services

We make sure to keep your property safe, comfortable, clean, energy efficient, and well maintained by reducing operating costs with sustainable building management solutions.

Project Management

Our team specializes in planning, coordinating, and executing projects according to your specific requirements while considering any limitations. DFM also helps organizations by applying project management and office practices to improve their business.

Facilities Management

Our Facilities Management service is one of a kind, where we are dedicated to working on reducing costs, increasing cash flow, and strategically driving our clients' assets forward during a changing and challenging market.

Locksmithing and Security

We offer locksmithing and security services to ensure your property and business are safe from any intruders. We offer commercial and residential properties consultation on their safety and security and can give you a thorough and professional evaluation.
