

FOUNDERS CLUB

TFC Q4 Regional Events

Growth Workshops

Founders share real insights and lived experience in a trusted setting designed for honest dialogue and practical progress.

Private Masterminds

Small, closed-door gatherings across our core cities. Experience problems being solved in real time by the best brand founders in the game, tangible outcomes only.

Curated Founder Meals

Invitation-only meals across our core cities. Around the table, founders speak candidly in a discreet environment built on trust, perspective, and meaningful connection.

Exclusive Activations

Members-only experiences that create space for deeper connection. Unique access, shared perspective, and environments where openness comes naturally.

Club Socials

Relaxed, private gatherings where founders can let their guard down. Strengthen relationships, connect beyond business, and build trust that carries forward.

Invite-Only Parties

Seasonal celebrations and milestone moments shared with fellow members. Step away from the day-to-day, celebrate wins, and enjoy time together in a trusted circle.
