

Reusable Earplugs EA301

Product Code: EA301

The EA301 reusable earplugs deliver dependable hearing protection for a wide range of loud environments, making them ideal for airport ground crews, mechanics, metalworking, lawn care, and other high-noise tasks. Their three-layer silicone design provides a personalized seal with reduced ear pressure, ensuring comfort throughout long shifts. Offering 32 dB sound reduction, they help shield your ears from harmful noise while remaining compact and lightweight without a cord. Reusable and easy to clean, these durable silicone earplugs are built for repeated use in demanding work environments.
