

## Safety Glasses EY102

**Product Code:** EY102

The EY102 Safety Glasses provide lightweight, reliable eye protection with smoke-tinted lenses designed to reduce glare in bright outdoor environments. Featuring an anti-fog coating to help minimise lens fogging, they maintain clear vision while working in changing weather conditions or direct sunlight. Ideal for construction, landscaping, maintenance, agriculture, and general outdoor tasks, these safety glasses offer comfortable, dependable protection to help keep your eyes safe throughout the day.
