

Cupstyle FFP3 Mask RP302

Product Code: RP302

Experience maximum protection and comfort with the RP302 cup-style FFP3 mask, engineered for high-risk environments with dust, mist, and airborne particles. Perfect for construction, woodworking, cleaning, and other high-exposure tasks, it includes an adjustable nose clip for a custom fit and to help prevent eyewear from fogging. Its elastic weld construction provides a smooth, staple-free surface for enhanced comfort, while the adjustable strap ensures a secure hold.
