

Over-Eyewear Safety Glasses EY201

Product Code: EY201

The EY201 Over-Eyewear Safety Glasses offer reliable eye protection while fitting comfortably over prescription or reading glasses. Ideal for laboratories, workshops, construction sites, woodworking, landscaping, and home improvement projects, they safeguard both your eyes and your regular eyewear. Built with reduced fogging, an anti-scratch coating, and side shields for extended protection, plus side vents for enhanced airflow, these durable glasses provide clear vision and lasting comfort for a wide range of tasks.
