

Safety Glasses EY106

Product Code: EY106

The EY106 Safety Glasses combine lightweight design with reliable eye protection for both work and outdoor use. Tinted lenses provide UV protection, while the anti-fog coating keeps your vision clear in changing temperatures or during active tasks. The flexible frame and ergonomic fit ensure the glasses rest comfortably on your face for long periods of wear. Ideal for construction, woodworking, yard work, lab tasks, and DIY projects, they deliver dependable protection wherever you need it.
