

Safety Glasses EY105

Product Code: EY105

The EY105 Safety Glasses provide dependable eye protection in a sleek, lightweight design suited for both professional and home use. Their anti-fog lens coating helps maintain clear visibility, even during temperature shifts or active tasks. A flexible frame paired with a comfort-focused fit allows the glasses to sit naturally on the face, making them easy to wear for extended periods. Great for construction sites, workshop projects, yard work, lab environments, and everyday DIY.
