

Safety Glasses EY104

Product Code: EY104

The EY104 Safety Glasses offer durable, lightweight eye protection for both work and home environments. Featuring tinted lenses for UV protection and an anti-fog coating, they keep your vision clear whether you're outdoors or moving between temperature changes. The secure, comfortable fit ensures they stay in place during extended use. Ideal for construction, woodworking, landscaping, laboratory tasks, and DIY projects, they provide reliable protection for a wide variety of everyday activities.
