

Safety Glasses EY103

Product Code: EY103

The EY103 Safety Glasses deliver lightweight, reliable eye protection for everyday tasks at work or home. Designed with an anti-fog coating to help reduce lens fogging, they keep your vision clear in changing temperatures or close-up work. A comfortable, secure fit makes them ideal for long periods of wear. Perfect for construction, woodworking, landscaping, laboratory work, and DIY projects, these safety glasses provide dependable protection across a wide range of environments.
