

Reusable Corded Earplugs EA304

Product Code: EA304

The EA304 corded earplugs deliver dependable hearing protection for a wide range of loud environments, making them ideal for airport ground crews, mechanics, metalworking, lawn care, and other high-noise tasks. Their three-layered silicone design provides a personalized seal with reduced ear pressure, ensuring comfort through long shifts. Offering 32 dB sound reduction, they help shield your ears from harmful noise, while the corded style keeps them easy to access and hard to lose. Reusable and easy to clean, these durable silicone earplugs are built for repeated use in demanding work settings.
