

Disposable Glove PG101

Product Code: PG101

The PG101 Disposable Glove was designed for DIY enthusiasts who require high sensitivity, comfort, and reliable protection during manual tasks. Made from 100% nitrile, these gloves offer excellent tear resistance and a secure grip, even in wet or dirty conditions. Powder-free and latex-free, the PG101 ensures skin-friendly use and reduces the risk of allergic reactions. With a thickness of 3.5 mil, the gloves provide outstanding sensitivity, flexibility, and performance—perfect for DIY projects such as painting, crafting, screwing and assembly tasks, small renovations, gardening, or light home improvement work. Lightweight, durable, and easy to put on, the PG101 Disposable Gloves provide a secure fit and reliable protection for all DIY and manual tasks around the home.
