

Household Gloves PG801

Product Code: PG801

The PG801 Household Glove was designed for anyone performing cleaning, household, or DIY tasks who needs reliable protection without sacrificing dexterity. Made from durable materials, these gloves provide a secure grip even in wet conditions. The extra-long cuff protects wrists and forearms from splashes, dirt, or minor scratches during DIY projects, wall painting, furniture finishing, or renovation work. Lightweight and flexible, the gloves allow comfortable handling while drilling, screwing, assembling furniture, as well as planting, transplanting, weeding, mowing, and designing garden beds. Ideal for painting & renovation, gardening & landscaping, kitchen and bathroom cleaning, or general household chores, the PG801 combines comfort, protection, and dexterity for safe and efficient work around the home.
