

Gardening Gloves PG604

Product Code: PG604

The PG604 Gardening Gloves are built for rugged garden work and demanding outdoor tasks. Constructed from 100% cow split leather, these gloves provide a reliable, non-slip grip and extra reinforcement on the palm and thumb, ensuring long-lasting durability in all conditions. Ideal for digging, pruning, handling heavy garden tools, mending fences, or managing compost and soil, these gloves offer top-of-the-line wear resistance and exceptional toughness, making them a dependable choice for any job that requires strength and protection. For added safety, the extended cuff protects your wrists — a vital feature when using cutting tools or performing pulling and lifting tasks. Combined with their reinforced design and durable leather construction, the PG604 Gardening Gloves deliver comfort, reliability, and protection where you need it most.
