

All Work Gloves PG203

Product Code: PG203

The PG203 All Work Gloves are a reliable choice for anyone who works with their hands on a daily basis. Whether you're active in construction, logistics, landscaping, or just a dedicated DIYer — these gloves are designed to support you through a wide range of tasks, big or small. Featuring a comfortable Polyester liner for an excellent fit and water-resistance, keeping your hands protected without sacrificing dexterity. The grinkled latex grip provides a firm grip even in wet or dusty conditions and covers most of the hand for added protection against abrasion, dirt, and wear. Thanks to their 15-gauge construction, these gloves are extra sensitive and lightweight, yet durable enough to allow for rugged work. From precision tasks such as cutting, planting, or handling precision tools these gloves are excellent for environments where touch sensitivity is needed.
