

Brave Transitions – Success Story

From Civil Engineer to Project Consultant & Permanent Team Member

How Mathias Pita Landed His Role with SLR Consulting in Just 11 Weeks

 by Luci Lima Leone

Client Snapshot

Mathias Pita is a skilled project consultant in Brisbane, Australia, specializing in construction materials and services.

He sought expert support to transition from civil engineer contract work to a permanent consulting role.

Background: Project Consultant Seeking Permanent Role

- Career Goal: Secure a permanent position in Construction Materials & Services
- Location: Brisbane, Australia
- New Role: Construction Materials & Services Consultant at SLR Consulting, Brendale Office

Before Brave Transitions – The Challenge

Before joining Brave Transitions, Mathias:

- Faced uncertainty moving from contract to permanent roles
- Struggled to translate applications into opportunities
- Needed a clear strategy to position himself effectively in the consulting market

The Saurya Solution

Over 11 weeks, Mathias and his coach:

- Refined resume & LinkedIn to highlight consulting achievements
- Crafted tailored applications and outreach messages
- Practiced interviews with mock scenarios
- Developed a proactive job search and networking plan

The Breakthrough – What Changed

Mathias:

- Gained confidence in presenting his value clearly
- Highlighted project impact and technical skills effectively
- Generated interview invitations
- Positioned himself as a strong candidate for permanent roles

The Outcome – Tangible Results

- Secured a permanent Construction Materials & Services Consultant role with SLR Consulting
- Transitioned from contract uncertainty to stable employment in 11 weeks
- Built sustainable job search and networking habits
- Developed professional confidence and a clear career narrative

Testimonial & Call to Action

Mathias's Testimonial:

"Working with Luci gave me the clarity and tools to turn contract work into a permanent role. In just 11 weeks, I landed my ideal job with SLR Consulting."
