

# Brave Transitions – Success Story

How Thais Amaral Landed a Staff Accountant Role  
at The GEO Group in Florida

 by Luci Lima Leone

# 1. Client Snapshot

**Name:** Thais Amaral

**Role Secured:** Staff Accountant at The GEO Group, Florida

**Profile:** With over two years of full-cycle bookkeeping, tax return preparation, and financial accuracy improvements, Thais is a meticulous accountant known for driving process efficiency and increasing data accuracy by 30%.

**Career Goal:** Secure a full-time staff accountant role in Florida within a month.

## 2. Before Brave Transitions – The Challenge

Thais brought strong technical skills, but her resume and LinkedIn lacked narrative clarity for corporate accounting roles—her experience seemed fragmented across tax and bookkeeping tasks. With only a few weeks on her job search, she needed to stand out fast.

### 3. The Saurya Solution

Over an intensive 4-week Brave Transitions sprint, we delivered:

- **Resume & LinkedIn makeover:** Realigned her profile to highlight metrics-driven bookkeeping and tax accuracy.
- **Targeted job search strategy:** Focused on Florida corporate accounting roles with a tailored application list.
- **Interview prep:** Sharpened her storytelling to showcase efficiency gains and financial integrity.
- **Personal brand clarity:** Positioned her as a dependable, results-oriented accounting professional.

## 4. The Breakthrough – What Changed

Thais moved from a general accounting profile to a laser-focused, ROI-minded candidate. By emphasizing her 30% accuracy improvement and full-cycle accounting expertise, she captured recruiters' attention quickly.

## 5. The Outcome – Tangible Results

### Hired as Staff Accountant at The GEO Group in under 4 weeks

- Demonstrated clear quantifiable value from day one
- Gained a replicable process for job search and interviews
- Restored confidence in her professional trajectory

## 6. Thais's Testimonial

"Working with Brave Transitions clarified my story and gave me confidence. In just four weeks, I landed a great accounting role—and learned how to market myself with impact."

## 7. Lessons Learned / Coach's Reflection

Thais's success underscores the power of metrics and clear storytelling. Her ability to translate behind-the-scenes bookkeeping into measurable outcomes changed the game—both for applications and interviews.
