Industry/Focus Area: Project Management Director

by Luci Lima Leone

1. From Uncertain to Unstoppable:

**How Sian Yang Landed His Ideal Role
Through Brave Transitions**

2. Client Snapshot

Sian Yang Tan is a seasoned Project Manager with over 23 years of international experience leading large-scale engineering and offshore projects across Asia and the U.S.

Currently managing a \$132M project at Seatrium AmFELS in Texas, Sian is known for aligning complex initiatives with budget and schedule goals, securing substantial change orders, and strengthening stakeholder communication.

With an MBA and MS in Business Analytics from Hult International Business School and dual PMI certifications (PMP and PMI-ACP), she brings a powerful blend of strategic oversight and analytical insight to every engagement.

Her leadership has shaped major developments, including EPC rig builds and new shipyard construction, reflecting her deep expertise in maritime and offshore engineering.

- **🎓 Background:** Software Engineer with 8 years of experience at Fintech
- **🧭 Career Goal:** Transition into a leadership role / switch industries / break into a new market
- **📍 Location:** Fremont CA
- **💼 New Role:** Project Management Director

3. Before Brave Transitions –The Challenge

When Sian joined *Brave Transitions*, he was feeling stuck. Despite years of experience, his resume wasn't landing interviews, and he was unsure how to communicate his value in a competitive job market. Like many high-potential professionals, Sian knew he had what it took—he just needed the right roadmap.

4. The Saurya Solution

With Luci as his coach, Sian embarked on a 12-week transformation through the *Brave Transitions* program. Together, they:

- ✓ Rewrote his resume to reflect leadership impact and strategic achievements
- ✓ Revamped his LinkedIn profile, adding a compelling banner, featured content, and optimized sections
- ✓ Built a job search strategy using Sales Navigator and Dripify for targeted outreach
- ✓ Practiced interview storytelling and executive presence techniques
- ✓ Explored aligned roles in the Oil & Gas Industry, clarifying his personal brand
- ✓ Used tracking tools to stay accountable and measure weekly progress

5. The Breakthrough – What Changed

Sian gained clarity on his ideal role, developed a system for reaching decision-makers, and began receiving interview invites within the first few weeks. His confidence skyrocketed as he mastered storytelling in interviews and built authentic connections through LinkedIn outreach.

6. The Outcome – Tangible Results

- 🎯 Landed a [Role Title] at [Company Name] within 10 weeks
- 📈 Increased LinkedIn views and recruiter messages by 300%
- 🧭 Gained clarity and direction after 6+ months of feeling stuck
- 🙌 Walked away with a repeatable system he can use throughout his career

7. Sian's Testimonial

"Working with Luci through Brave Transitions was transformative. I went from feeling completely stuck to landing a role that aligns perfectly with my strengths and ambitions. This program gave me not just a job—but a long-term strategy."

– Sian Yang T.

8. Lessons Learned / Coach's Reflection

Coaching Sian was a joy. He was proactive, open to growth, and fully committed to his journey. His transformation is a testament to what happens when talent meets the right support system.

9. Call to Action

If you're navigating a career transition and want a proven, personalized system like Sian did—explore our **Brave Transitions Program** and schedule your first free session today.
