

Voice & Value Interview Mastery Program – Success Story

From Career Stagnation to Senior Accountant
Excellence

How Minza Nebblet Secured Her Ideal Senior Accountant Role at Xtium in
Just 3 Weeks

 by Luci Lima Leone

Client Snapshot

Minza Nebblet is an experienced accounting professional with a strong background in financial reporting, budgeting, and tax management.

- **Career Goal:** Secure a Senior Accountant position at a growing company
- **Location:** Houston, Texas
- **New Role:** Senior Accountant – Xtium

The Challenge

Before Voice & Value Interview Mastery Program – The Challenge

Minza's challenge wasn't just landing an interview, but successfully progressing through **all stages of the interview process** and securing the offer.

- **Navigating Multiple Interview Rounds:** Minza struggled to move past initial screenings and get to the final rounds.
- **Securing the Offer:** Despite progressing to multiple rounds, she faced challenges in positioning herself as the top candidate.
- **Lack of Interview Strategy:** Minza had the skills but didn't know how to effectively communicate her value at each interview stage.

The Saurya Solution

Over the course of **3 weeks**, Minza participated in the **Voice & Value Interview Mastery Program**, where she worked with her coach to:

- **Master interview techniques** for each stage of the interview process, from initial screenings to final interviews.
- **Perfect her story** to consistently communicate her leadership skills and achievements.
- **Build confidence** in her responses and use strategic storytelling to align her strengths with employer needs.
- **Create a clear strategy** for navigating every stage of the interview process.
- **Develop a follow-up strategy** to stay top of mind with decision-makers.

The Breakthrough

What Changed

- Minza gained the tools and confidence to **navigate all rounds of the interview process** and secure the job offer.
- Her ability to **articulate her leadership value** at each stage of the interview set her apart from other candidates.
- The **Voice & Value Interview Mastery Program** helped Minza **close the deal** and secure her ideal role.
- **Breakthrough:** In just **3 weeks**, Minza successfully moved through the entire interview process and landed the Senior Accountant role at **Xtium**.

The Outcome

Tangible Results

- Landed a Senior Accountant position with Xtium in just 3 weeks
- Successfully navigated all rounds of the interview process with confidence
- Secured multiple offers by clearly articulating her leadership and value
- Built a repeatable interview strategy for future career growth
- Negotiated the final offer with confidence and clarity

Minza's Testimonial

“Before working with Luci, I was struggling to make it through the interview process. The **Voice & Value Interview Mastery Program** helped me effectively communicate my leadership value at each stage of the process. In just three weeks, I landed my ideal role at Xtium! This program gave me the confidence and strategies I needed to navigate the interview process and secure the offer I wanted.”

— Minza Nebblet

Coach's Reflection

Lessons Learned / Coach's Reflection

Minza's success shows that with the right strategies, **even complex interview processes** can be navigated with confidence.

- **Voice & Value Interview Mastery Program** empowered Minza to move through every interview stage with clarity and poise.
- A **clear strategy** and **confidence** are crucial to successfully securing top-level positions.
