

HORIZONTAL TIMELINE

- Front to Back
OR
- Back to Front

- 1 Align the floor to either the front or back (determined by contest site). Then begin unfolding up to HALF court (red line).

Once cleared, unfold the remainder and align it to be centered. As units pass the red line, half court, their time begins.

PERFORM!

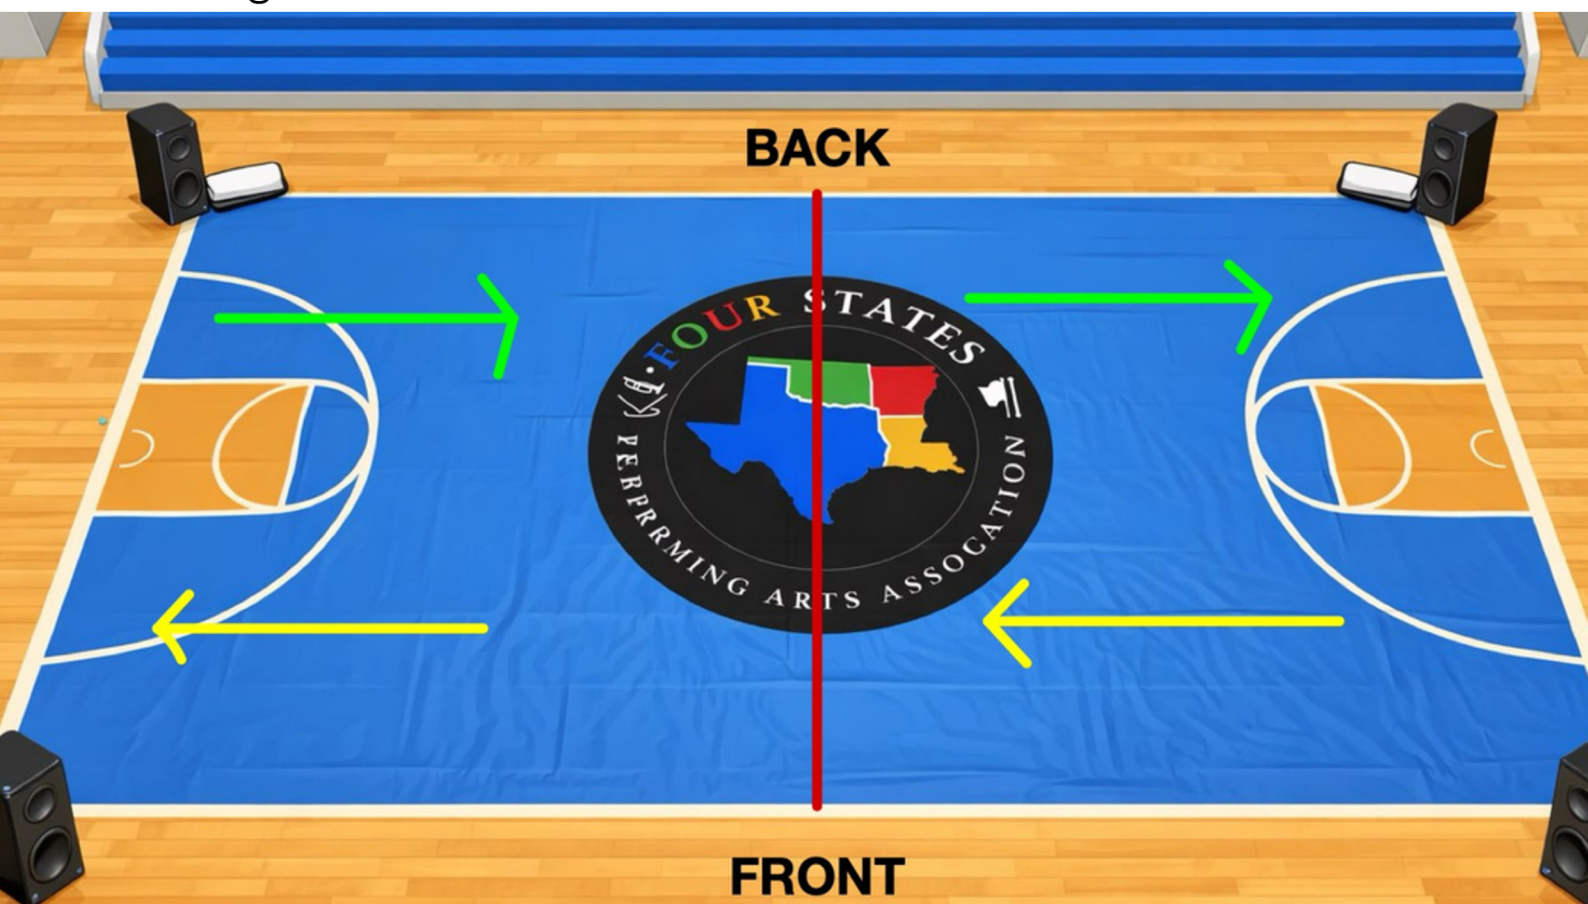

After a unit finishes their performance, begin folding the floor to either the front or back (determined by contest site.) Once the tarp and all members of the unit are on the designated side of the red line, half court, their time will be concluded.

To conclude, units will finish folding the tarp and then move to either: floor folding to refold, OR, take their tarp to the designated floor holding area.

VERTICAL TIMELINE

- Left to Right
OR
- Right to Left

- 1 Align the floor to either the left or right (determined by contest site). Then begin unfolding up to HALF court (red line).

Once cleared, unfold the remainder and align it to be centered. As units pass the red line, half court, their time begins.

PERFORM!

After a unit finishes their performance, begin folding the floor to either the left or right (determined by contest site.) Once the tarp and all members of the unit are on the designated side of the red line, half court, their time will be concluded.

To conclude, units will finish folding the tarp and then move to either: floor folding to refold, OR, to the designated floor holding area.
