# WHO ARE WE?

**Forged by the irreverent, the rebellious and the explorers. Creative souls, you will find home here.**

El Ganzo fuses natural beauty and forward-thinking hospitality to create a place where independent art and music thrive.

Ever since the property was founded by Pablo Sanchez Navarro, El Ganzo remains a unique foothold in the world of the arts and a utopia for the creatively minded with live artist installations

an in-house recording studio, as well as a bustling schedule of musicians playing on-site.

With artistic expression at its core, El Ganzo stands as a leader in the immersive travel space through its dedication to bespoke experiences aimed to inspire.

**We offer a refuge for the creatively inclined.**

And the inevitable chaos begins, bringing the best out of each artist in their fight for purpose, expression and freedom. In El Ganzo you cannot, and may not, curate artistic expression, sell out, or give or receive awards. The purpose of art is a subjective journey NOT popcorn likeability. Do not fall trap to dogmatic principles."

Pablo Sánchez Navarro

# WHO ARE WE?

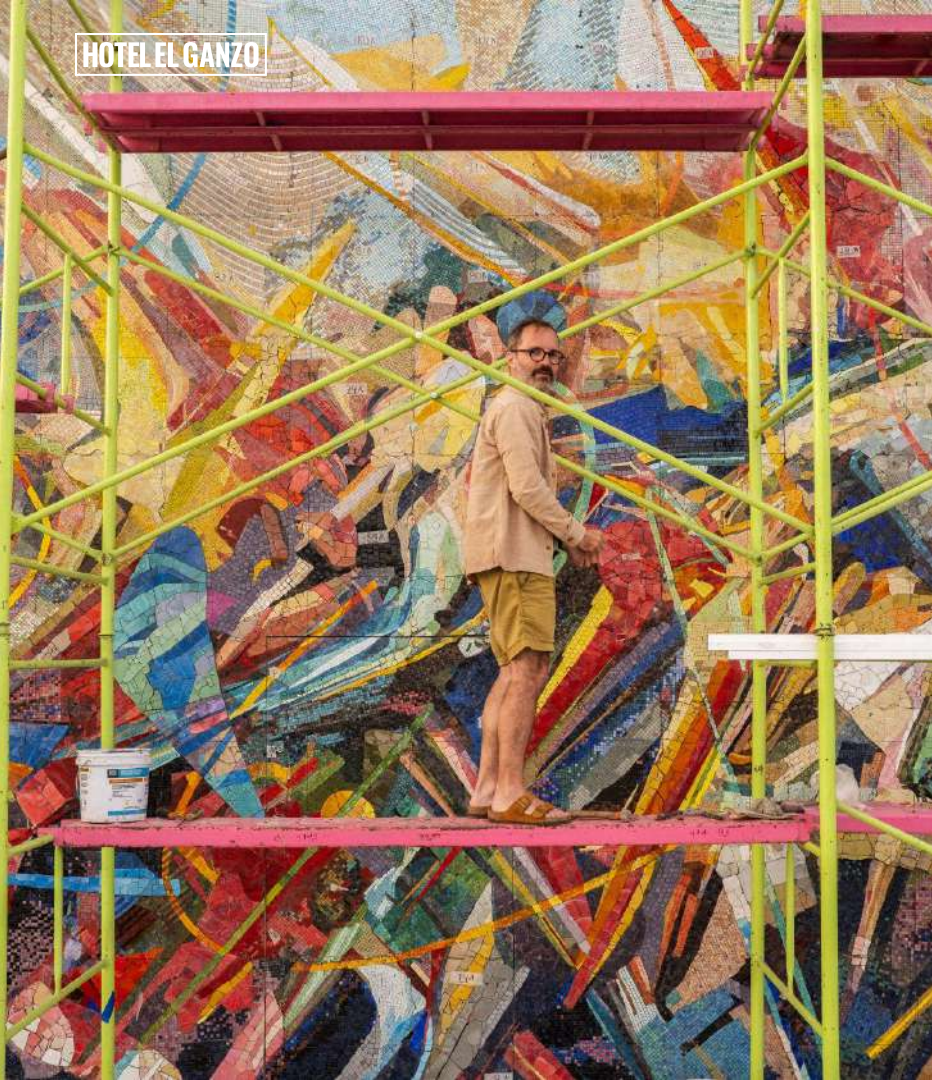

**With its very own Cultural Arts & Music program, El Ganzo offers 69 ocean view rooms, three Master, four Large and two Very Large Suites. Expansive views of the Sea of Cortez and Puerto Los Cabos Yacht Marina set the tone.**

Multiple dining options on site include The Rooftop, wrapped around the infinity pool and its signature glass Jacuzzi, El Ganzo Restaurant overlooking the marina, or the private Beach Club on a swimmable beach. With an onsite holistic spa including gym, and golf course 5 minutes away.
