

How to Access your New Spokane Watercolor Society Account

Open your web browser and choose to Log In:

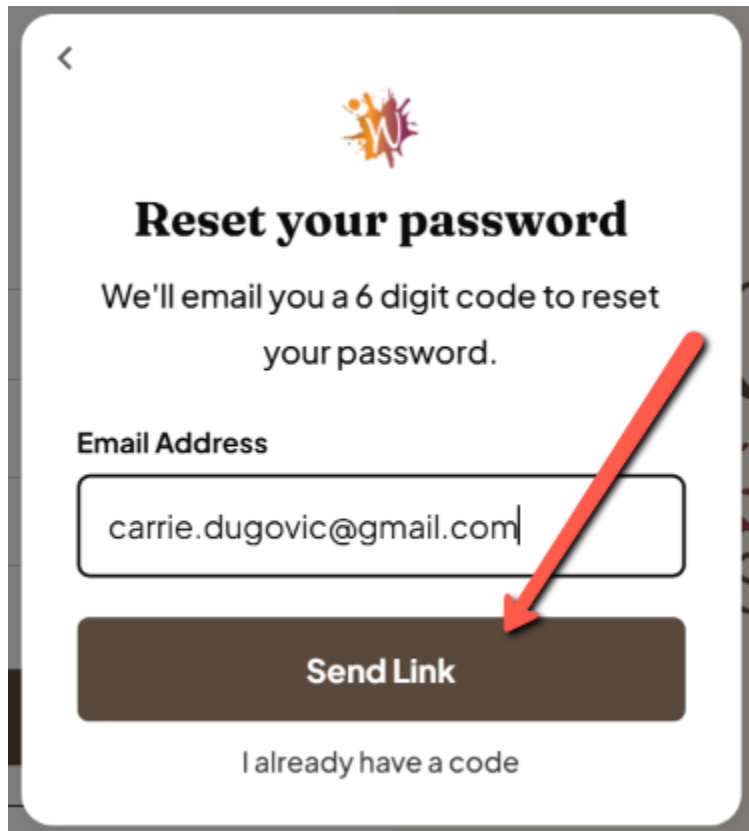

<https://www.spokanewatercolor.org/>

At the login page, choose Forgot Password:

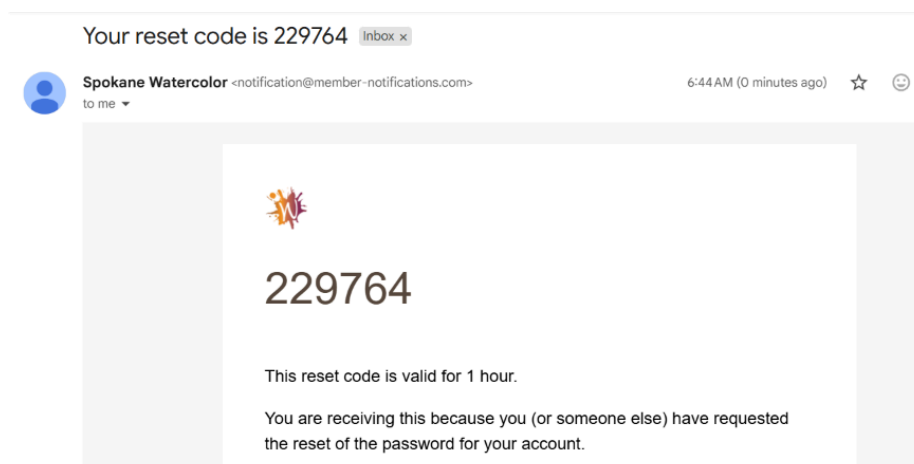

Enter your email address and choose Send Link:

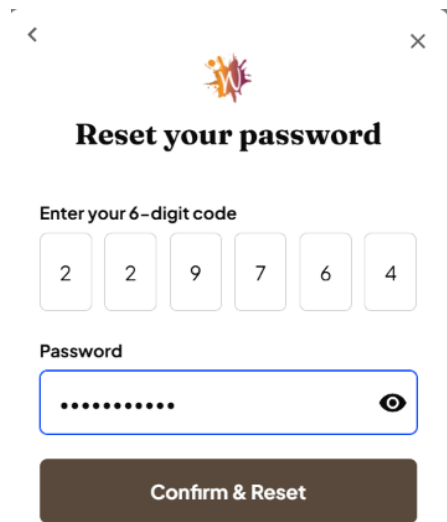

A screenshot of a mobile app interface for resetting a password. At the top is a back arrow and a logo consisting of stylized orange and purple figures. Below the logo, the text reads "Reset your password" in bold, followed by "We'll email you a 6 digit code to reset your password." There is a text input field labeled "Email Address" containing the text "carrie.dugovic@gmail.com". Below the input field is a large brown button labeled "Send Link". A red arrow points from the input field to the "Send Link" button. At the bottom, there is a link that says "I already have a code".

Open your email and copy the code just sent to you (your code will be different from the one shown in the image):

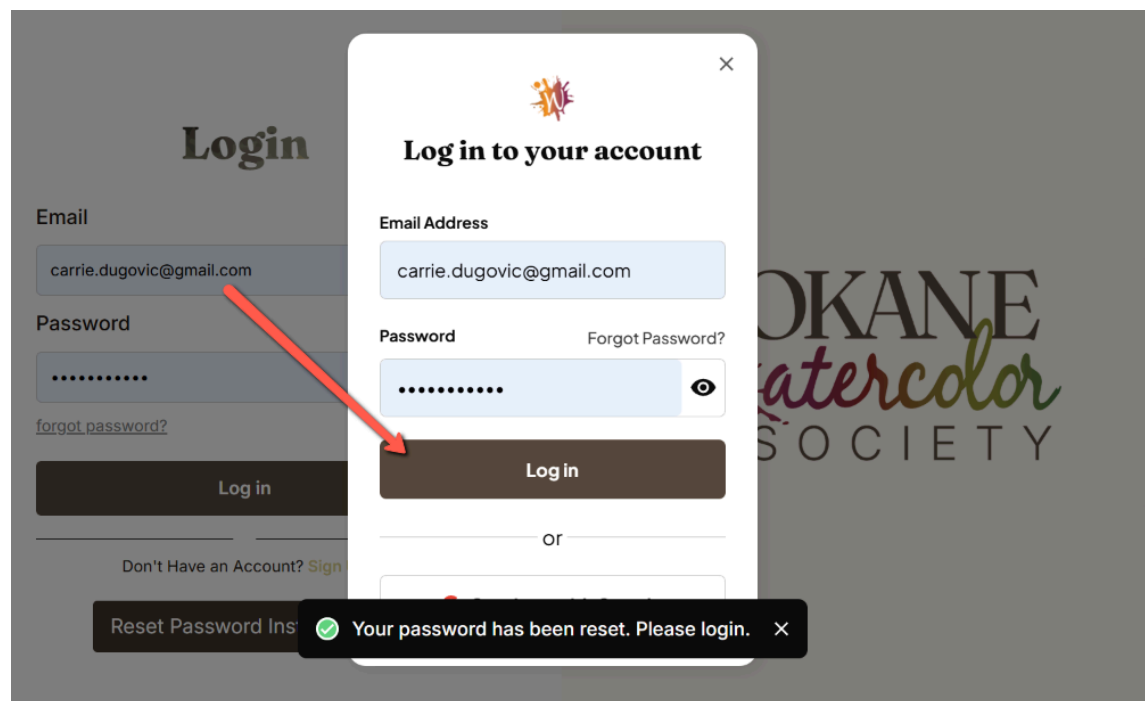

Go back to the Spokane Watercolor Society Logon Page and enter the link from your email, if you copied it, you can paste it or type the code. Enter a new password. You may use the same password as our old site if it meets the minimum 8 character requirement. Select Confirm & Reset:

A mobile app window titled "Reset your password" with a logo at the top. It contains a section "Enter your 6-digit code" with six input boxes containing the digits 2, 2, 9, 7, 6, and 4. Below this is a "Password" section with a text input field containing eight dots and a toggle icon. At the bottom is a brown button labeled "Confirm & Reset".

You will get a confirmation that your password is reset and a new login box. Select Login and you'll be returned to a login page. If the login box doesn't automatically close, click the "x" on the top right of the box to close the window.

The image shows a login page for the Spokane Watercolor Society. In the background, there is a "Login" form with fields for "Email" (containing "carrie.dugovic@gmail.com") and "Password" (containing dots), a "forgot password?" link, and a "Log in" button. Overlaid on this is a white modal window titled "Log in to your account" with a close button (X) in the top right. The modal has fields for "Email Address" and "Password", a "Forgot Password?" link, and a "Log in" button. A red arrow points from the "Log in" button in the modal to the "Log in" button in the background form. At the bottom of the screen, a black notification bar displays a green checkmark icon and the text "Your password has been reset. Please login." with a close button (X).
