Dear Delegates & Post Graduates,

The Department of General Medicine, Kurnool Medical College, in collaboration with the Clinical Infectious Diseases Society – AP Chapter, is delighted to extend a warm invitation to all medical professionals, faculty, and postgraduate students to participate in the Continuing Medical Education (CME) programme on Infectious Diseases.

 **Date:** Sunday, 18th January 2026

 **Venue:** New Lecture Gallery, Kurnool Medical College, Kurnool

This academic gathering aims to provide an enriching platform for learning, discussion, and exchange of ideas on the latest developments in infectious disease management. The CME will feature distinguished speakers from across the region, interactive workshops, and case-based sessions designed to enhance clinical reasoning and practical skills. Participants will gain valuable insights into emerging infections, antimicrobial stewardship, and evidence-based approaches to patient care.

We look forward to your active participation in this important academic event that promises to be both intellectually stimulating and professionally rewarding.
