About me

Graduate from Royal Conservatoire of Scotland.

“—with Veera’s face providing The Magic Life of V’s main visual focal point, even the smallest of changes tell a revelatory tale.” - Screen Daily 2019

“In her own right, Veera is an incredibly compelling subject on many levels. She is so photogenic and telegenic, with such an expressive face — She has a fierce and vulnerable Noomi Rapace quality that deeply moved me. All the while being vulnerable and real.” — Black Girl Nerds 2019
