INTRODUCTION

Somos Esencia is the result of the illusion of a gastronomic family, with more than 30 years of experience in the industry, to create a more human and sentimental concept based on the quality and humanity of Barcelona.

Currently, the group has seven emblematic restaurants: **Tierra Brava, Brisa Palau de Mar, Bar Bauma, Agua, Barraca, Fauna Café and GatoPardo.**

Together with an exceptional team, Somos Esencia offers a unique culinary experience, highlighting the essence of the city and connecting with its customers through hospitality.

Somos Esencia has the goal of being a gastronomic reference, transmitting the passion and warmth of things well done by a great family.

Its co-founder Guillem Mitats, who started the group with the restaurant Tierra Brava in 2019 and drove it to success along with the other openings and acquisitions, and the incorporation of Alex Mitats in 2023 as executive director, makes Somos Esencia an increasingly consolidated restaurant group in the Barcelona market.

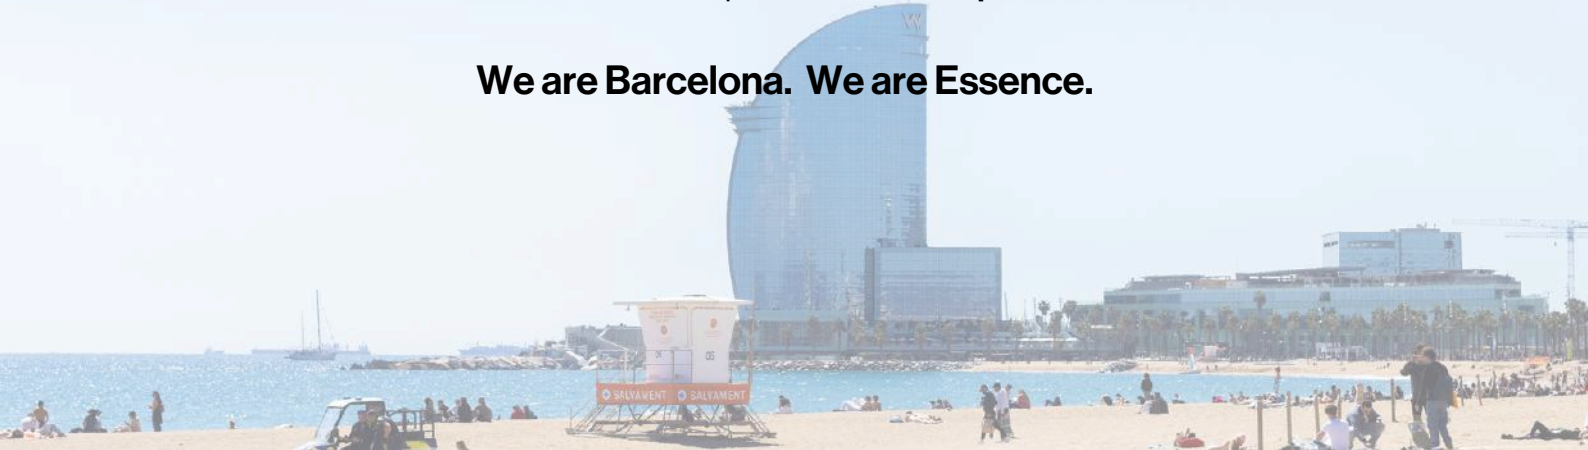

All our restaurants have fresh cuisine, their own character and an unbeatable location. In addition, we emphasize the importance of the human factor and the feeling that inspires each of our projects.

Sabor a Hospitalidad.

We are **brisa** of the Mediterranean and we come from
the **tierra brava**. We are **agua** of life and gatherings
of the **bauma**. We are a **barraca** in the middle of
Barceloneta. We are the wildest **fauna** of the city
and our modus operandi is the **Gatopardo**.

We are Barcelona. We are Essence.
