

# Construction Forecast

The Village of Shorewood is reconstructing Oakland Avenue between Capitol Drive and Glendale Avenue. The following work is scheduled as part of this project.

## Monday, May 11 through Friday, May 15, 2026

Individual water service connections to the new water main are scheduled at locations within the 4100 and 4400 blocks of Oakland Avenue.

- Water service connection work is being done on the east and the west sides of Oakland Avenue
- The water service contractor is coordinating with affected residents and businesses to schedule times to complete this work, including water shut-offs
- The duration of water shut-offs for each building can vary based on the length of the service line and the work required at the building connection
- Sidewalk closures are expected where crews are connecting individual water services
  - Detours will be posted for sidewalk closures

Access to the crosswalk at the northeast corner of Oakland Avenue at Elmdale Court is closed due to sidewalk pavement removal.

- Access to the crosswalk on the south side of the intersection will be maintained

**All work is weather dependent and subject to change.**

### Overnight and Weekend Work:

No overnight work is scheduled for this week.
