

AMENITIES MAP

# Explore the Collective

Township Collective brings together four distinct residential buildings—The Flats, The Streams, The Range, and The Pines. Each offers its own interior style and atmosphere, designed for different rhythms of life. Together, they form a multigenerational community where individuality and connection live side by side. One address, many ways to belong.

Phase One introduces The Flats & The Streams.

AMENITIES

## DESIGNED FOR COMFORT & STYLE

Every amenity space is crafted with modern aesthetics, high-end finishes, and a welcoming ambiance that enhances your everyday experience. Whether you're unwinding, working, or socializing, each space is designed to offer both elegance and functionality.

## SEAMLESS ACCESS & CONVENIENCE

With keyless entry and intuitive access systems, enjoying our amenities is effortless and hassle-free. Whether you're heading to the gym, lounge, or library, you can move seamlessly throughout the community without interruptions.

## SUSTAINABLE & ECO-FRIENDLY DESIGN

Our commitment to sustainability is reflected in energy-efficient lighting, water-saving fixtures, and eco-conscious building materials. By integrating green practices into our community, we ensure an environmentally responsible living experience.
