\*Unlimited Data Fair Usage Policy = 650GB

For the purposes of alerting, 100% data usage will be set at 650GB. If the SIM is opted in to the default alerts this will result in the SIM being barred when the SIM Platform identifies 650GB has been consumed. If the SIM uses more than 650GB (e.g. is unbarred at 650GB) this additional data will not be chargeable but please make note of the paragraph below.

If a) 650GB of data is consumed in 2 separate months in a 6 month period or b) 12 or more devices are regularly tethered using the SIM, we reserve the right to investigate whether the SIM is being used for non-standard purposes. In these circumstances we reserve the right to adjust the tariff or terminate the agreement.
