BROCHURE FOR GROUPS

BAR & RESTAURANT

Café Montesol is a refuge from the summer sun and a cozy haven during the colder months. Under the direction of chef Alex Larrea, local cuisine is reinterpreted with a touch of creativity, always using locally sourced ingredients.

The menu features tapas designed for sharing, accompanied by a beer or a carefully curated selection of Spanish wines from small producers.

A place steeped in decades of history, passed down from table to table.

ROOFTOP & COCKTAIL BAR

Upstairs, you'll find the rooftop bar, an elegant open-air cocktail lounge with stunning views of Dalt Vila.

Away from the crowds, it offers an intimate and sophisticated atmosphere in the heart of Ibiza. Creative cocktails, wines, and beers complement every moment.

A perfect setting for ceremonies, receptions, welcome cocktails, sunset celebrations, or evening events.
