

Name

Visit your grandfather or grandmother and ask him or her the questions.

If you can't visit them, you can call them and ask your questions. If the grandparents are no longer with us, you can ask another family member. Take notes of their answers

What is your favorite flower?
Draw the flower

What is your favorite insect?
What do you know about this insect?

Finally, take a picture with your grandparent and paste it in this part.
