

Cookie Policy – SocialPay BV

Effective as of: 01 January 2026

1. What are cookies?

Cookies are small text files that are stored on your device when you visit a website or use a web application.

2. Cookies used by SocialPay

SocialPay uses **functional cookies only**. These cookies are strictly necessary for:

- the proper functioning of the Platform;
 - user authentication and security;
 - remembering user preferences during a session.
-

3. No tracking or marketing cookies

SocialPay does **not** use:

- tracking cookies;
- marketing cookies;
- analytical cookies that track user behaviour across websites.

As a result, no cookie consent banner is required under applicable legislation.

4. Third-party cookies

SocialPay does not place third-party tracking cookies. Functional cookies placed by technical service providers may be used solely to enable core Platform functionality.

5. Changes to this Cookie Policy

SocialPay may amend this Cookie Policy from time to time. The most recent version is always available on the Platform.
