Once you're logged in, you'll be able to click the button circled to copy the link and paste this within the Safety Concerns form.

The screenshot shows two parts of the WeTransfer interface. On the left is the 'You're done!' confirmation screen, which displays the transfer link <https://we.tl/t-QLeZQEVl> and a 'Copy link' button. On the right is the file transfer details page for the file '1363383-1-68e3aa58754f1.jpg'. The page shows the file size (1.9 MB), the number of files (5), and the expiration date (Jan 23, 2026). A pink circle highlights the 'Copy' button next to the transfer link. Below the link, there are sections for 'Extra settings' (Preview and download, No password set, No price set) and 'Access control' (Public, Total downloads: 0). A preview of the file is shown, and a list of 5 files is displayed at the bottom.
