

# Amazing *Landscaping* Blades

## *Winter Service Clean Up*

If you have not signed up for winter services still or scheduled your clean up, now is a great time to do so.

We start our regular in season mowing in April. If you have not had a clean-up or winter service, your first mowing will be charged at an hourly rate.

Winter Service

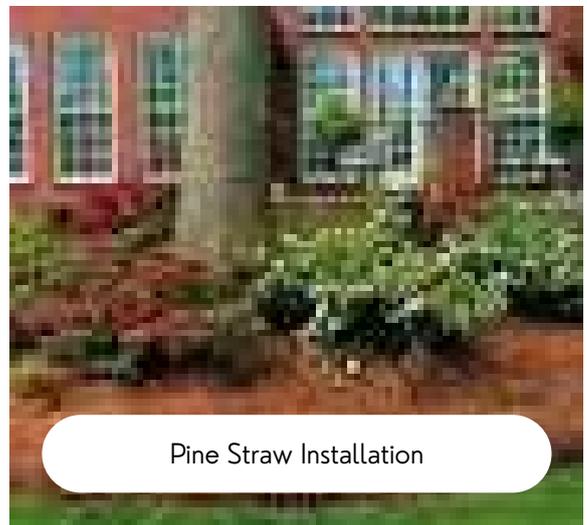

Yard clean-up to prepare  
for the mowing season

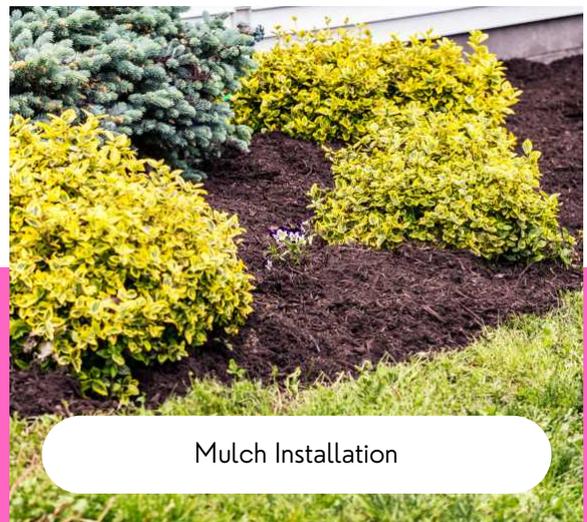

**Give us a call for your pine straw or mulch install. Get it scheduled or completed before we are on a 12 week wait with the spring rush.**

**Get your installation now and help protect your plants from freezing and harsh temperatures this winter. Pine straw and mulch are a natural insulator in the landscaping beds. They also reduce weed germination in spring and enhance moisture retention.**
