# AMAZING BLADES LANDSCAPING

Fall is here and winter is right around the corner. Are you ready? Is your property winter ready? Some customers think we are just a mow and go company, however we have so many more services that we offer. Did you know that we provide shrub trimming, fertilization and weed control programs, shrub applications, landscape installations, irrigation installations, irrigation services and even landscape lighting?

Have you been thinking about starting a landscape project but have been putting it off? Is that honey do list growing and nothing is getting crossed off? Hire us to do the dirty work for you. Now is the time to put those ideas into action and make some progress, while our regular season has concluded, and the waitlist is shorter than usual.

It's time to turn irrigation off and winterize pumps.

**WINTERIZATION**

If you've had brown patch previously, we recommend a fungicide to strengthen turf before the harsh winter comes in.

**FUNGICIDE**

Don't forget to sign up for winter services. The healthiest thing for a lawn is blowing leaves out of the lawn so the sunlight can get to the root system.

**WINTER SERVICES**

Use mulch to insulate your plants against the harsh cold weather approaching.

**MULCH**

Use pine straw to not only look good but to protect your plants this winter.

**PINE STRAW**

Now is a great time to upgrade your standard fertilization and weed control package to our Premium Monthly Lawn App package.

**LAWN APPLICATIONS**

Wide variety of lawn services

Quality Service

Excellent Customer Service
