

Wideset Terms of Use

1. Introduction

These Terms of Use govern your access to and use of the Wideset design system, a product developed and operated by Michal Parulski (sole proprietorship) under Polish law. By using Wideset, you agree to these terms.

These Terms shall be governed by the laws of Poland.

2. Service Description

Wideset is a Figma-based design system available in two versions: Basic (one-time payment) and Pro (annual subscription). The Basic version includes access to the Core Wideset only. The Pro subscription includes access to updates released during the subscription period, additional styles, add-ons, and access to the Wideset Slack community. Any additional services provided by Widelab are governed by the terms available at <https://widelab.co>.

3. Definitions

User:

- A "Solo User" is a single individual who has purchased a license for personal or freelance use. The license cannot be shared or transferred.

- A "Team User" is an organization or team purchasing one license valid for up to 20 team members. Exceeding this limit requires the purchase of additional licenses. The license cannot be shared outside of the team nor transferred to another organization.

Users may transfer the rights to projects built using Wideset to their clients for internal use. Resale or redistribution of the Wideset design system is strictly prohibited.

4. Account and Access

Wideset does not require account creation. The design system is delivered via downloadable Figma files upon completed payment via Lemonsqueezy.

5. License Terms

You may use Wideset components in commercial and personal projects in accordance with the license you purchased. Redistribution, resale, or online uploading of Wideset in any form is strictly prohibited.

Pro License holders receive updates, add-ons, and new resources during their active subscription period. Users retain perpetual rights to all versions and assets provided during their subscription, even after cancellation. Basic License holders only receive the version delivered at purchase.

Violations of this license may result in a fine of up to \$10,000 per infraction, legal enforcement, and revocation of your license.

6. Refunds and Cancellations

Wideset does not offer refunds except in cases where the product cannot be accessed due to a technical error that is verified by our support team. All purchases are final. Users may cancel future subscription renewals at any time via their Lemonsqueezy account.

7. Limitations of Liability

Wideset is provided "as is" without warranties of any kind. We do not guarantee compatibility with all versions of Figma. We are not liable for any loss of profits, data, or business interruptions resulting

from use of the service.

Our maximum liability in any case shall not exceed the amount paid by you for the product in the preceding 12 months.

8. Modifications

We reserve the right to modify pricing, features, or availability at any time. You will be notified of major changes via the contact email provided.

9. Community Code of Conduct

Our Slack community is a safe space for design and development discussions. Only Pro License holders with an active subscription have access to the Slack community. We do not tolerate any form of harassment, hate speech, or inappropriate content. Users violating these rules may be removed without refund.
