

Agenus to Present at the Rodman & Renshaw 17th Annual Global Investment Conference

September 8, 2015

LEXINGTON, Mass.--([BUSINESS WIRE](#))--Agenus Inc. (NASDAQ: AGEN), an immunology company developing innovative treatments for cancers and other diseases, today announced that the Company will present at the Rodman & Renshaw 17th Annual Global Investment Conference on Wednesday, September 9th at 10:00 a.m. Eastern Time. The conference will take place at the St. Regis Hotel in New York City.

Webcast Information

The live and archived webcast of the presentation will be accessible from the Company's website at www.agenusbio.com/webcast. Please log in approximately 5-10 minutes before each event to ensure a timely connection. The archived replay will be available on the Agenus website for one month following the conference.

About Agenus

Agenus is an immunology company engaged in the discovery and development of novel checkpoint modulators, vaccines and adjuvants to treat cancer and other diseases. Using its proprietary platforms Retrocyte Display™ and SECANT®, the Company is discovering and developing novel antibodies to target GITR, OX40, CTLA-4, LAG-3, TIM-3, PD-1 and other undisclosed checkpoints in partnered and internal programs. Agenus' heat shock protein vaccine, Prophage, has successfully completed Phase 2 studies in newly diagnosed glioblastoma multiforme. The Company's QS-21 Stimulon® adjuvant is extensively partnered with GlaxoSmithKline and Janssen Sciences Ireland UC, and two vaccine candidates containing QS-21 have successfully completed Phase 3 trials. For more information, please visit www.agenusbio.com, or follow the company on Twitter @Agenus_Bio; information that may be important to investors will be routinely posted in these locations.

Forward-Looking Statement

This press release contains forward-looking statements that are made pursuant to the safe harbor provisions of the federal securities laws, including statements regarding the expected benefit from GSK's Mosquirix™ vaccine, the potential milestone and royalties payable to Agenus and the Company's potential to create best-in-class combination therapies for treating patients with cancer. These forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially. These risks and uncertainties include, among others, the factors described under the Risk Factors section of Agenus' Prospectus Supplement filed with the Securities and Exchange Commission on May 21, 2015. Agenus cautions investors not to place considerable reliance on the forward-looking statements contained in this release. These statements speak only as of the date of this press release, and Agenus undertakes no obligation to update or revise the statements, other than to the extent required by law. All forward-looking statements are expressly qualified in their entirety by this cautionary statement.
