Happy Pride Month from Bradley & Co!

At Bradley & Co, we believe in creating an inclusive and diverse workplace where everyone feels valued and respected. This Pride Month, we celebrate the LGBTQ+ community and reaffirm our commitment to fostering a culture of acceptance, equality, and support. Diversity and inclusion are at the heart of our HR consultancy services.

We strive to help our clients build environments where all employees can thrive, regardless of their gender identity or sexual orientation. By promoting awareness, understanding, and allyship, we aim to make a positive impact on workplaces everywhere.

Pride Month in the UK, celebrated every June, honors the LGBTQ+ community's history and achievements. Its roots trace back to the first UK Gay Pride Rally in London on July 1, 1972, inspired by the 1969 Stonewall Riots in New York. This landmark event attracted around 2,000 participants and marked a significant step in the fight for LGBTQ+ rights, highlighting issues of discrimination and fostering a sense of solidarity.

Over the years, Pride events have spread across the UK, growing in size and visibility, with cities like Manchester, Brighton, and Edinburgh hosting major celebrations. These events have evolved into vibrant parades, festivals, and cultural activities, attracting millions of attendees and gaining support from various sectors, including government and businesses.

Today, UK Pride Month is a powerful symbol of progress, celebrating diversity and the ongoing pursuit of equality for all, while also remembering the struggles and activism that paved the way for these freedoms.

Join us in celebrating Pride Month and championing diversity and inclusion in the workplace!

Employee Of The Month

We are proud to announce a joint nomination for Issac and Secko at our Chelsea Harbour location!

Their exceptional dedication and quick response were crucial when an elderly gentleman experienced a serious fall. They promptly administered first aid, called an ambulance, and stayed with him until help arrived.

We're thrilled to report that the gentleman made a full recovery and recently returned to the site to personally thank our team for their support and swift action.

Thank you, Issac and Secko, for embodying the values of Bradley and Co. Your professionalism and compassion are truly inspiring!

What We've Been Up To

Polo in the Park

What a fantastic time we had networking at Chestertons Polo in The Park, this weekend with clients, colleagues, and friends of Bradley & Co!

It was a perfect blend of professional connections and exhilarating polo matches. A big thank you to everyone who made it such a memorable day!

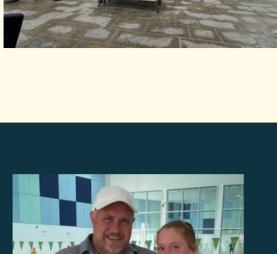

A Royal Proclamation

Last week, at the iconic Royal Exchange, a historic moment unfolded right on the steps of the building we proudly work with.

The City of London's Common Cryer and Serjeant at Arms delivered the Royal Proclamation for dissolving Parliament ahead of the General Election.

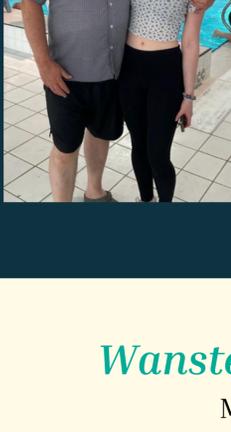

A heartfelt thank you to our dedicated Building Manager, Mark Frost, and the facilities team for ensuring the event's success.

Taking A Dive For The Cause...

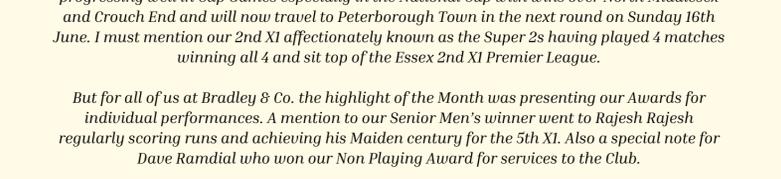

On Sunday 26th May 2024 our Managing Director Michael Brady along with his wife Sandra and 2 youngest boys Darragh & Fiachra took part in a swim the channel relay, 1352 lengths at Saxon Crown Swimming club to raise funds for one of their young members Jess O'Hara.

Jess was recently diagnosed with cancer and is currently undergoing chemotherapy. Both the Brady and O'Hara families would like to personally thank Bradley & Co for their generous donation along with many of the staff from [Metrus](#) and [TwoToms](#) - Thank you.

Wanstead Cricket Club

Monthly Update

Hi, All, I'm back, just.

After a delayed start to the Season due to the awful weather we managed to get some cricket in May where thankfully waders were not required. A mixed bag of results but notably our 1st XI progressing well in Cup Games especially in the National Cup with wins over North Middlesex and Crouch End and will now travel to Peterborough Town in the next round on Sunday 16th June. I must mention our 2nd XI affectionately known as the Super 2s having played 4 matches winning all 4 and sit top of the Essex 2nd XI Premier League.

But for all of us at Bradley & Co, the highlight of the Month was presenting our Awards for individual performances. A mention to our Senior Men's winner went to Rajesh Rajesh regularly scoring runs and achieving his Maiden century for the 5th XI. Also a special note for Dave Ramdial who won our Non Playing Award for services to the Club.

Having spent years as a player he now spends hours along with others coaching our Juniors ultimately reflecting on the high standards set for our promising future Senior players.

For any new readers of our Newsletter I'll refer you to the Club website at [Wanstead and Snaresbrook Cricket Club](#) for all the latest News and Results.

Best wishes All
See you soon.

Why have these giant carrot sculptures popped up in Fitzrovia?

If you've popped by Fitzrovia over the past few days, you may have noticed some new additions have sprouted throughout the neighbourhood - namely some towering 16-foot fibreglass carrots. Of course, where there's carrots on offer you'll usually find rabbits, and giant bunnies are also hiding amongst the area's urban meadow.
