Bradley & Co's Summer Social

We're thrilled to share that our recent summer social was a smashing success! A huge thank you to all our staff and clients who joined us for a fun-filled day at the Bradley & Co sponsored, Wanstead Cricket Ground. It was a day of great food, lively music, and, of course, thrilling cricket!

The highlight of the day was the much-anticipated match between the Marylebone Cricket Club (MCC) and our very own WCC team. Watching these two teams go head-to-head was an experience to remember, full of true sportsmanship and excitement.

We couldn't have asked for better company, and we're grateful to everyone who made the day so special. Here's to more fantastic events like this in the future—thank you for being part of the Bradley & Co family!

Employee Of The Month

We are thrilled to announce that Ross Evans has been named Employee of the Month! Ross went above and beyond in assisting a tenant who suffered a first aid emergency at work. He provided crucial first aid until the London Ambulance Service arrived. His quick thinking and decisive action were highly commended by both the Building Manager and Senior Surveyor.

Additionally, Ross showcased excellent teamwork with the Reception team, especially Katya, who coordinated the emergency calls and drafted the incident report.

Congratulations, Ross, for your outstanding efforts and exemplary teamwork!

What We've Been Up To

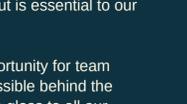

Making Waves at 80 The Strand!

We're excited to share that our team has started setting up at our new location, 80 The Strand. A special shoutout goes to our new starter, Dominika, who has played a crucial role in assisting with the office move.

Her enthusiasm and dedication have been invaluable, helping us hit the ground running at our new space. Welcome aboard, Dominika—your fantastic work is already making a big difference!

Celebrating Our Unsung Heroes

Last week, Bradley & Co had the pleasure of treating some of our unsung heroes to an exhilarating day at the races. This special outing was our way of recognising and celebrating the hard work and dedication that often goes unnoticed but is essential to our success.

The event was not only a thrilling experience but also a fantastic opportunity for team building and showing our gratitude to those who make everything possible behind the scenes. We're proud to have such an incredible team, and we raise a glass to all our unsung heroes! 🍷

National Cycle To Work Day

This month we celebrated National Cycle To Work Day. Some of our management team Glen Herron and Liam O'Sullivan celebrated the day with a delightful cycle through the city!

Cycling to work not only helps reduce our carbon footprint but also boosts fitness and mental well-being. At Bradley and Co, we're committed to promoting a healthier and more sustainable lifestyle for all our employees.

Wanstead Cricket Club Monthly Update

Hi Everyone,

I hope you're all doing well.

Despite the challenges, we managed to fit in three weeks of cricket this month—a real achievement! The results have been a bit of a mixed bag. The 1st XI is holding strong in 2nd place in the Essex Premier League, while the 2nd XI remains at the top of their league, albeit by just one point. Our Ladies 2nd XI are also leading their league, which is fantastic to see. It's especially pleasing to watch our Juniors flourish as they gain more experience.

Unfortunately, our 1st XI fell short in the National Cup quarterfinals against local rivals Brentwood. However, on a brighter note, they've reached the semi-finals of the Essex League Cup and will face Woodford Wells later this month.

In other news, we recently hosted the famous MCC during the Company's summer bash, where our Bradley Awards were presented. I'll leave it to Paul B. to share more details about what was a great day at the Club.

Looking forward to seeing you all next month as the season draws to a close!

Regards, Tony.
