Design an absolutely beautiful roof that will last decades, increase your home value, and decrease your utility bill and carbon footprint.

Transform Your Roof & Produce Clean Energy

Tesla Powerwall

TESLA
ENERGY
CERTIFIED INSTALLER

Tesla Powerwall

Backup Battery.

Tesla Powerwall is a compact home battery that stores energy, detects outages and automatically becomes your home's energy source when the grid goes down. Powerwall keeps your lights on and phones charged without upkeep, fuel, or noise.

Malarkey Vista Class 4 Rated Roof - Natural Wood | Bannockburn, IL

REC Solar + Sol-Ark® | Lincolnshire, IL

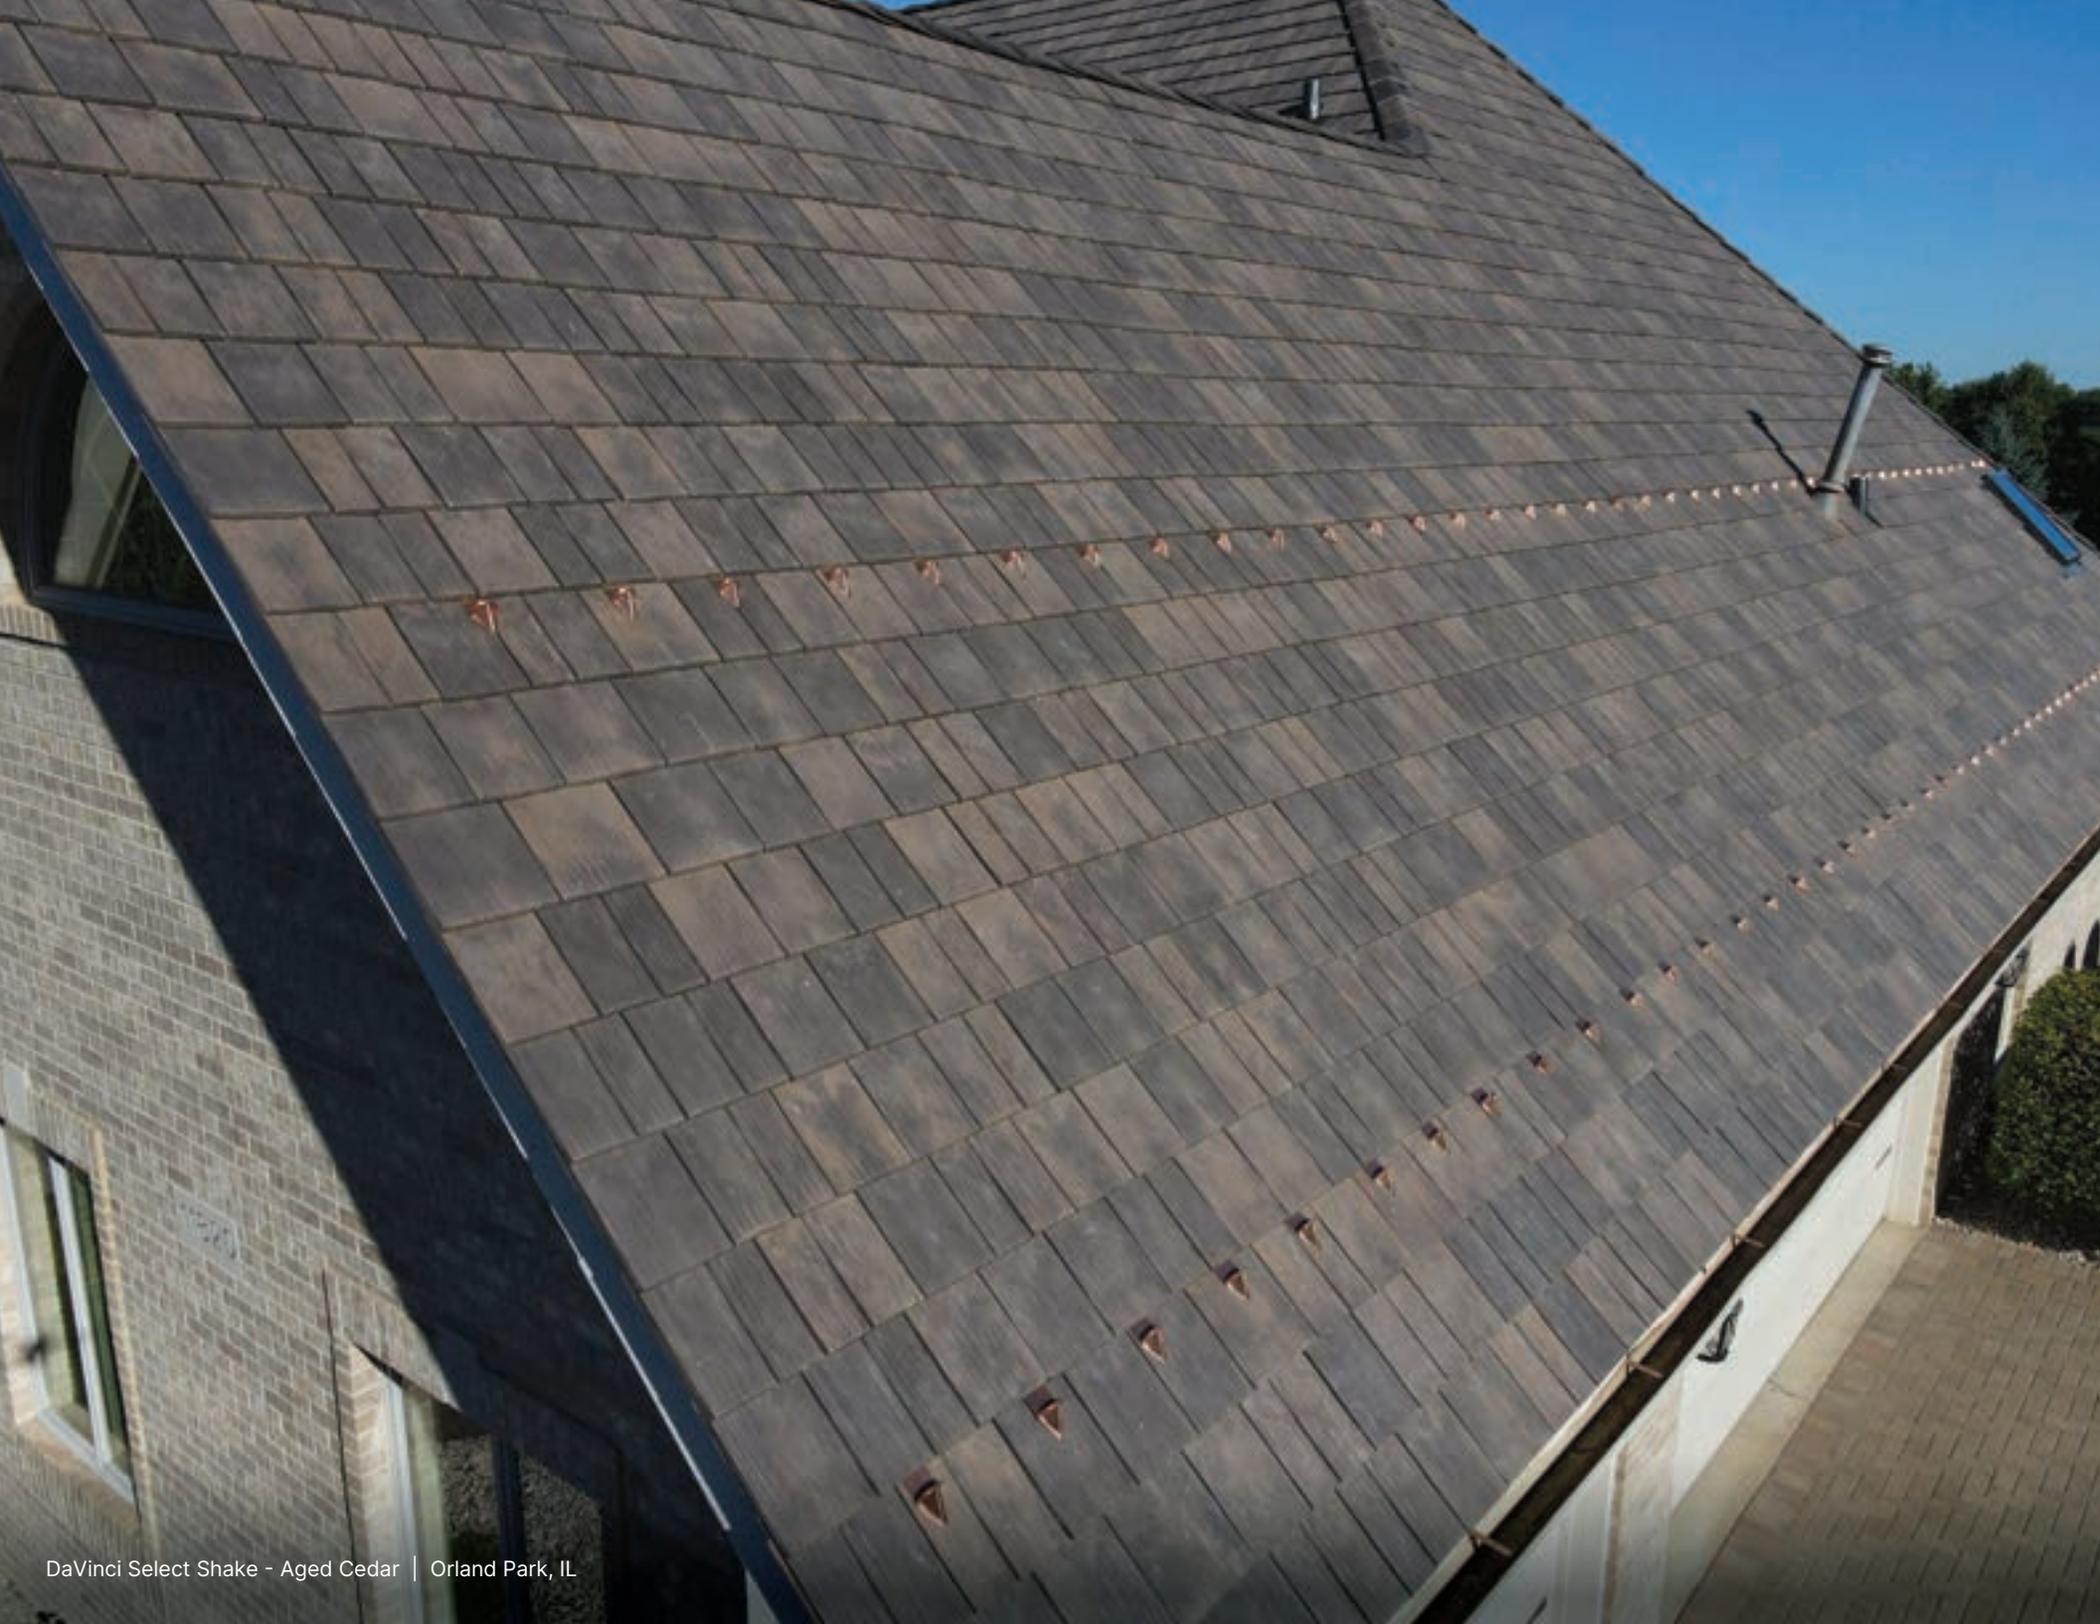

REC Solar Panels + Tesla Powerwall 3 | Nashville, TN

A Winning Partnership.

REC Solar Panels have the flexibility to pair with a variety of roofing systems and manufacturers. Even better, they can be paired with Tesla Powerwall to delivery reliable and sustainable energy.

Beautifully Durable.

Crafted with state-of-the-art technology, DaVinci Roofing materials are designed to withstand the harshest weather conditions while maintaining their stunning look. They are also eco-friendly, giving you a chance to contribute positively towards environmental sustainability.

Malarkey - Black Oak

Malarkey - Midnight Black

Stunningly Sustainable.

Malarkey shingles are created for superior performance, reliability, and limited impact on the environment. They are a premier North American building materials manufacturer with over 65 years in the industry.
