

MORaine TOWNSHIP
Community Mental Health Board

MISSION

MTCMHB is committed to promoting access to resources to address mental health challenges, substance use disorder, and intellectual or developmental disability services within the Moraine Township population, through the impactful use of funds to address gaps in the system and enhance the well-being for our residents.

VISION

Our goal is to foster a supportive, responsive, and inclusive environment that promotes recovery, resilience, and empowerment for individuals and families affected by mental health challenges, substance use disorder, and intellectual or developmental challenges.

VALUES

- Inclusive and equitable
- Caring, compassionate, and empathetic
- Transparent and accountable to the community
- Creative, innovative, and open to new solutions

Community Mental Health Board

EQUITY IN ACCESS

Ensure that underserved populations can access affordable, culturally, and linguistically appropriate services.

- **Equity-Focused Grantmaking** – Fund grants that improve equity in access and reduce barriers related to language, culture, age, and other socioeconomic and demographic factors.
- **Community Voices** – Understand community barriers and needs by conducting listening sessions, focus groups, and other methods of hearing community voices.

MORaine TOWNSHIP
Community Mental Health Board

SERVICE COORDINATION

Strengthen partnerships and referral networks to improve service integration and reduce system fragmentation.

- **Service Gaps and Needs** – Use regular data analysis to identify gaps in service provision.
- **Provider Convenings** – Convene service providers to learn from each other, coordinate programs, develop innovative solutions, and improve service delivery.
- **Referral Partnerships** – Create referral partnerships and collaborations between providers.
