

VOTE **AGAINST** THE TAX AMENDMENTS

FUND THE FUTURE

North Carolinians are coming together across race, class, and party to vote **AGAINST** two State Constitutional Amendments that threaten our public schools and other public services.

CONSTITUTIONAL AMENDMENT (Income Tax)	CONSTITUTIONAL AMENDMENT (Property Tax)
Constitutional amendment to keep the State income tax rate from being raised higher than three and one-half percent (3.5%). ☐ For ☒ Against	Constitutional amendment requiring limits on property tax increases by local governments. ☐ For ☒ Against

HERE'S WHAT YOU SHOULD KNOW:

-  **The amendments change the NC Constitution, NOT your current tax bill.** The income tax rate is already scheduled to fall below 3.5%. Property taxes will continue to increase if property values go up. The amendments may worsen the financial crisis working North Carolinians are facing.
-  **These amendments intend to lock in tax giveaways to big corporations like Duke Energy,** large property owners, and a handful of ultra-wealthy North Carolinians.
-  **The amendments will further bankrupt our public schools,** cause more teacher layoffs, result in even bigger cuts to SNAP and Medicaid, and do nothing to lower the costs of things like groceries, healthcare, or housing.

WHAT ARE TAXES?

Taxes are money we contribute to provide services our communities need.

INCOME TAXES:

Money workers pay based on earnings

PROPERTY TAXES:

Money home-owners pay based on a home's value

Working people pay our taxes.
It's time the ultra-wealthy pay what they owe!
