Want to learn more about who's running in the upcoming elections? Please visit [the Shelby County Election Commission website](#). Here are some important dates to keep in mind-

Key 2026 Dates for the County General Election and the Federal and State Primary:

- Voter Registration Deadline Tues, July 7
- Early Voting Fri, July 17 to Sat, Aug 1
- Last day to request Absentee Ballot- Mon, July 27
- Election Day Thursday, August 6
- [Click here](#) for the November 3 Federal General Election dates.

If you're looking for ways to volunteer this election season, consider volunteering with a candidate, especially David Weatherspoon and Jesse Huseh, as they are de facto Democratic nominees already for November. Any of them would so appreciate your help with canvassing (door knocking to tell voters about the candidate- only on doors belonging to Democrats), lit dropping (leaving their literature on a front door), or phone banking (calling voters and asking them to vote for the candidate.) Visit the candidate website and look for their link to volunteer, or email Dave Cambron, he can connect you to who you want to volunteer for- davidpcambron@gmail.com.

Also, please consider signing up to be a poll watcher. These important volunteers are stationed at different polling locations during early voting and on election day, who report any inappropriate behavior by election officials. Email primaryboardscdp@gmail.com to learn more and to volunteer.
