

Global Offshore Wind Summit – Japan 2026

October 14, 2026

Invitation to the Regional Forum & Networking Event

Regional Forum & Networking, an official side event of GOWS-J 2026, will bring together offshore wind industry stakeholders from East Asia and Europe to foster international cooperation and business partnerships. The event will take place on 14 October 2026 at Dejima Messe Nagasaki and will feature a Joint Forum Session (09:15–12:00) followed by a Networking Session (12:00–13:30). The event is jointly organized by the Japan Wind Power Association (JWPA), the Korea Wind Energy Industry Association (KWEIA), and the Delegation of the European Union to Japan. Participants will include representatives from companies, industry associations, and related organizations from East Asian countries, including Japan and Korea, as well as EU Member States. Embassies, organizations, and companies from other countries may also participate in the event, provided that one of them serves as a Networking Sponsor.

■ Venue Date & Time

Dejima Messe Nagasaki, 2F (Convention Hall No.1 & No.2)
October 14, 2026, 9:15 AM – 1:30 PM (tentative)

Following the joint session hosted by sponsors and partner organizations, a networking reception with food and beverages will be held to encourage interaction among participants.

■ Participation Eligibility

- Companies and organizations interested in international collaboration in the offshore wind sector within East Asia and between East Asia and Europe. including: for example, Business development, Sales and distribution, Strategic partnerships, Outsourcing and subcontracting, Joint ventures, Investment and financing, Technical cooperation, etc.
- A GOWS conference ticket is not required
- Up to three representatives per company/organization
- The common language of the forum and networking event will be English and/or Japanese. Participants are requested to attend with staff capable of interpretation if necessary.

Networking Sponsorship Package

We are currently seeking Networking Sponsors from embassies, companies, and organizations wishing to enhance their visibility and engagement with offshore wind industry stakeholders from East Asia and Europe.

Each Networking Sponsor will contribute to the food and beverage arrangements for the networking session and will be granted a 15-minute presentation slot during the Forum program. The Networking Sponsor fee is JPY 330,000 (including tax) per embassy, company, or organization. This fee serves as a contribution toward the networking reception's food and beverage expenses.

Cofunded by the European Union
