Reputation Management

Generate consistent, authentic reviews, monitor every mention, and protect the trust that drives bookings.

The trust that drives bookings. For healthcare practices, reviews are the deciding factor for most new patients. We generate a steady flow of authentic reviews from happy patients, monitor every mention in real time, and protect the reputation your bookings depend on.

— How it fits with the rest

— Amplifies everything else

Strong reviews lift the conversion rate of every ad, landing page, and search result you run.

— Included in every Infrastructure tier

Reputation Management is part of Foundation, Growth, and Dominance.

— What applies to every engagement

— You own everything

Your ad accounts, CRM and its data, lead lists, and creative assets. If we part ways, you keep what we built.

— Healthcare compliance built in

Every asset is produced with the rules for your jurisdiction and profession in mind — ASA/CAP, HIPAA/FTC, PHIPA/PIPEDA, and profession-specific regulators.

— Healthcare-only focus

We work exclusively with private healthcare practices in the UK, US and Canada. No generic agency playbook.

— Clear, flat pricing

The fee is the fee. Ad spend, where relevant, is billed directly to your card by the platform — never marked up.

THE RANKINGEEK STANDARD

Healthcare-only. Outcome-focused.

We work exclusively with private healthcare practices across the UK, US and Canada. Every service is compliance-aware, measured against booked consults, and built so you own what we create. No 12-month lock-in — month-to-month, cancel any time with 30 days' notice.
