

Grace Cathedral

Scavenger Hunt

Can you find this panel hidden in the Ghiberti doors? A replica of the Ghiberti doors in the Florence Baptistry - removed by the Nazis in 1943.

There are two labyrinths as a part of Grace Cathedral. Can you find this one hidden indoors?

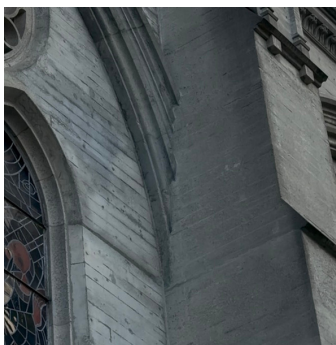

Grace Cathedral has no gargoyles! Instead, they have grotesques! What's the difference? Gargoyles also function as rain spouts - grotesques don't!

Can you find all 8 mythical creatures serving as grotesques? At this cathedral, they're wyverns, or 2-legged dragons. Can't find them? Look higher!

The largest window in Grace Cathedral is called Canticle of the Sun and contains 3,765 individual pieces of stained glass.

After the original Grace Church fell during the 1906 Earthquake, it was rebuilt with concrete instead of stone, like many traditional European cathedrals. Can you find a place where the concrete was poured to mimic the appearance of stone?
