Data Protection, Privacy and Cybersecurity

In a fast-changing digital space, ensuring efficient data protection, privacy, and cybersecurity has become paramount for any company engaged with confidential information. The businesses associated with this area need a broad legal strategy that will cover all stringent regulatory requirements to reduce the risks of data breach and cyber risks. Our global practice offers leading-edge advice in navigating complex legal frameworks for the adoption of appropriate protective measures for personal data.

Capabilities

LPPD and GDPR Compliance	We assist companies in achieving and maintaining compliance with the Serbian Law on the Protection of Personal Data (LPPD) and with the General Data Protection Regulation (GDPR) in SEE region, including data mapping, privacy impact assessments, and policy development.
Data Breach Response and Management	We provide legal support in responding to data breaches, including notification obligations, crisis management, and mitigation of regulatory and reputational risks.
Cybersecurity Risk Management	Our team advises on the development and implementation of cybersecurity policies and practices, helping companies to protect against cyber threats and ensure business continuity.
Cross-Border Data Transfers	We guide companies in managing cross-border data transfers, ensuring compliance with SEE data protection laws and regulations.
Privacy Impact Assessments (PIA)	We conduct Privacy Impact Assessments to identify and mitigate privacy risks associated with new projects, technologies, or business processes.
Data Subject Rights Management	We assist in managing and responding to data subject requests, including access, rectification, and erasure of personal data, in compliance with applicable laws.
Regulatory Investigations and Enforcement	We represent clients in investigations and enforcement actions by data protection authorities, ensuring compliance and defending against potential penalties.
Employee Privacy and Monitoring	We advise on legal issues related to employee privacy, including monitoring practices, data collection, and compliance with labor laws.
Third-Party Vendor Risk Management	We help companies manage risks associated with third-party vendors by conducting due diligence, drafting data protection agreements, and monitoring compliance.
Cybersecurity Incident Response Planning	We assist in developing and testing cybersecurity incident response plans, ensuring preparedness for potential cyber incidents and regulatory scrutiny.
