

Apparel & merchandise capability statement

Custom apparel, company programs and fulfillment coordination for organizations with a defined purchasing need.

Core services

- Custom embroidery and screen printing
- Uniforms, polos, work shirts, hats and layers
- Branded merchandise and employee kits
- Company-store and repeat-order planning
- Kitting, packing and delivery coordination

Project approach

- Review specifications, quantities and timing.
- Coordinate product and artwork approvals.
- Define ordering and delivery responsibilities.
- Keep approved details organized for reorders.
- Scope additional program services in writing.

Local coordination. Broader delivery planning.

Katy, Cypress and West Houston locations support project discussions and product planning. Share nationwide shipping destinations and receiving requirements for review.

For procurement teams

Provide the buying entity, reference number, specifications, response deadline, quantities and delivery plan. Identify any mandatory sourcing, insurance, registration, certification or invoice requirements before product selection.

Request legal-entity, tax and insurance information through an agreed document exchange. Availability and applicability must be confirmed for the opportunity. This capability statement does not establish approved-vendor status, a government award, a contract vehicle or certification.
