Our Key Services

Whatever your outdoor needs, our team delivers safe, professional, and reliable results every time.

Tree Care & Surgery

Expert care for trees of all sizes, from routine maintenance to complex and emergency work, carried out safely and responsibly.

Tree Surveys & Advice

Clear, professional tree surveys and guidance to support planning applications, development projects, and property decisions.

Grounds & Ongoing Maintenance

Practical solutions to keep your outdoor spaces tidy, safe, and manageable, including stump removal and regular hedge care.

Tree Care For Homes & Businesses

Whether you need expert care for a single garden tree or ongoing support for a larger site, Branching Out delivers professional, safe, and reliable tree services tailored to the setting, scale, and requirements of each job.

Tree Care Services Include:

| Tree Felling

Safe removal of trees that are dead, dangerous, diseased or no longer suitable for the space they occupy.

| Crown Reduction

Carefully reducing the overall size of the tree's canopy to improve light, reduce weight, and maintain a balanced shape.

| Crown Lifting

Removing lower branches to increase clearance while keeping the tree healthy and well-shaped.

| Crown Thinning

Removal of small internal branches to improve airflow, reduce wind resistance and allow more natural light through the canopy.

| Deadwood Removal

Removing dead, dying or hazardous branches to improve safety and reduce the risk of falling debris.

| 24-Hour Emergency Call-Out

Rapid response to storm-damaged or dangerous trees at any time of day or night, ensuring your property and the public remain safe.

Additional Service Include:

| Tree Surveys & Consultancy

Professional tree surveys and reports carried out to assess tree condition, safety, and compliance with planning requirements.

| Stump Grinding

Efficient removal of tree stumps using specialist machinery, grinding them below ground level to prevent regrowth.

| Hedge Cutting

Regular and one-off hedge cutting to maintain shape, promote healthy growth, and keep boundaries tidy and safe.
