# What to bring

## Swimwear

Preferably with good body coverage for extra sun protection.

## Towel

For drying off after activities.

## Water bottle

To stay hydrated throughout the day.

## Snacks

Light snacks to enjoy during breaks.

## Swimming goggles

Optional, for extra comfort in the water.

## Sunscreen

To protect against the sun.

# 01

# Arrival & welcome

Our Aquafun team welcomes the school bus near JBR Beach, helps students line up together, and distributes their entry tickets.

# 02

# Check-in & changing

Our team escorts students to the Aquafun reception area, where they can use the changing rooms, put on their swimwear, and apply sunscreen.

# 03

# Personal belongings

Students can leave their belongings in designated storage boxes, supervised by our Aquafun team.

# 04

# Safety first

Every student receives a life jacket and non-slip grip socks. Qualified lifeguards provide safety instructions before the fun begins.

# 05

# Let the fun begin

Students head to the floating water park with our team. They can take our complimentary boat transfer or swim to the park, where permitted and under lifeguard supervision. Inside the park, students jump, climb, slide, and explore under the supervision of Aquafun lifeguards.

# 06 Time to have fun

# 07

# Rest & refreshments

Students return to our designated beach rest area to relax, drink water, and enjoy their snacks. Once refreshed, they can head back into the park for more fun!

# 08

# Head back & departure

Once the experience is finished, our team escorts students back to the beach to change into dry clothes, then accompanies them to their school bus, making sure everyone is together and ready for departure.

# Splash! into happiness

From arrival to departure, our Aquafun team is there to guide, assist, and supervise students, making their school trip safe, organized, and full of unforgettable memories.
