What parents like you say...

"It was amazing! We are so grateful we found you all. I have seen progress just after one session."

"My child really connected with their therapist and we saw such great improvement in such a short time, I'm so happy my child had someone they felt so comfortable with."

"I'm extremely proud of the progress and feel like I am seeing my old daughter back; confident and happy."

87%

of children showed a reduction in symptoms.

92%

of caregivers felt more confident after 6 weeks.

health for  
today's  
family.

# What is Manatee?

Manatee is a family-first virtual mental health clinic designed for kids and parents living in the modern world.

We offer no-waitlist family care, covered by most insurance.

Our providers specialize in working with families and kids to help solve common and complex issues, ranging from anxiety to ADHD to family conflict and everything in between.

## Our services ✨

### Child Therapy

For children ages 5-18

### Parent Counseling

For caregivers of children ages 0-25

### Family Support

Family sessions, self-guided courses and care coordination

🌙 We offer nighttime & weekend sessions!
